- Citizenship Class
- Very Low Beginning Class

## What one of our students says about Our Program. . .

“My name is Angela Lin. I came from China. I speak both Chao- Chow and Mandarin. While growing up in China, I was very poor. I remember when I was 14 years old; I wanted to move to another city or State, so that I could have a better life.

I have been married for 15 years. My husband is from Laos. We grew up in two different cultures. He is very nice. We have 3 boys. Their ages are 14, 12, and 2 years old.

When my husband came to China to meet me, he was a Christian. He told me that I should pray to God and asked him to come in my life.

I learned English from the ESL (English as Second Language) ministry in this church. In the class, I learned the Jonah's story in the Old Testament. I can compare my life to the story of Jonah. As God gave Jonah a second chance, God brought me to America knowing he would give me a second chance. I really thank the ESL teachers, they are very friendly and they teach very well.

I attended Pastor Jim's Discovery (church membership) class. In the class I learned that I received a lot of God's amazing grace.

God has given me everything I have. I know every Christian has a story from God. I prayed and asked God to let me share my story with anybody. In the Bible, God says, He will never leave us or forget us, He remembers everything. There is one thing that God forgets. God says he will forget the wrong things we do, our sins, because Jesus died on the cross.”
