Life Group Questions

Open your group time with prayer.

1. When you look back over this year and what God has done and brought you through, what stands out the most to you? In what ways were you challenged? In what ways do you feel you grew?

2. Joseph fell in love with the promises that God showed him in his dreams while not thinking much of the route. Have you ever experienced God's hand in your life and it looked nothing like you had in mind? Share and explain your experience.

3. How do you plan to approach the coming year of 2024 with God that you may have done differently in 2023? And share why you're choosing this different approach for the coming year?

4. We know that God is always at work in us and our lives. So, what do you think tends to hold us back at times from believing the promises of God? Why do we worry about the grey areas so much, when time and time again God shows himself faithful?

5. Who are you going to pour into this coming year of 2024? What is your goal in regard to leading, loving and looking after others? This year God may take us out of our comfort zones and do something new in our lives. Do you think you're ready for it? Explain why or why not?
